# ISO 14435:2005-07 (E)

## Carbonaceous materials for the production of aluminium - Petroleum coke - Determination of trace met als by inductively coupled plasma atomic emission spectrometry

## Contents

Page

Foreword ..... iv

Introduction ..... v

1 Scope ..... 1

2 Normative references ..... 1

3 Terms and definitions ..... 1

4 Principle ..... 2

5 Interferences ..... 2

6 Apparatus ..... 3

7 Reagents ..... 4

8 Sample preparation ..... 5

9 Preparation of apparatus ..... 5

10 Procedure ..... 6

11 Calculation ..... 7

12 Test report ..... 7

13 Precision and bias for the dried test portion ..... 8

Bibliography ..... 9
