

ISO 21238:2007-04 (E)

Nuclear energy - Nuclear fuel technology - Scaling factor method to determine the radioactivity of low- and intermediate-level radioactive waste packages generated at nuclear power plants

| Contents | | Page |
|--|---|-------------|
| Foreword | | iv |
| Introduction | | v |
| 1 | Scope | 1 |
| 2 | Terms and definitions | 1 |
| 3 | Principle | 3 |
| 4 | Sampling | 3 |
| 5 | Evaluation methodology for scaling factor | 4 |
| Annex A (informative) Practices and examples of application of scaling-factor method | | 8 |
| Bibliography | | 23 |
