Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 2

4 Abbreviations and symbols 5
4.1 Abbreviations 5
4.2 Symbols 5

5 Guidelines for application of side-pocket mandrels and related equipment 6
5.1 General 6
5.2 Interface compatibility issues 6
5.3 Test facility for flow-control-device performance testing 6
5.4 Set-up and calibration of flow-control devices 6
5.5 Pre-installation and post-removal inspection, testing, and maintenance 6
5.6 Reconditioning side-pocket mandrels and related products 6
5.7 Reconditioning shops and shop personnel 6
5.8 User/purchaser functional specification templates 7
5.9 Supplier/manufacturer product data sheets 7

Annex A (informative) Interface compatibility issues 8

Annex B (informative) Test facilities for flow-control device performance testing 9

Annex C (informative) Set-up and calibration of flow-control devices 16

Annex D (informative) Pre-installation and post-removal inspection and testing 19

Annex E (informative) Reconditioning side-pocket mandrels and related equipment 22

Annex F (informative) Reconditioning shops and shop personnel 28

Annex G (informative) User/purchaser functional templates for side-pocket mandrels and related equipment 32

Annex H (informative) Supplier/manufacturer product data sheet templates for side-pocket mandrels and related equipment 41
