Foreword 3

Introduction 4

1 Scope 5

2 Terms, definitions and abbreviated terms 5
2.1 Terms and definitions 5
2.2 Abbreviated terms 6

3 System selection 7
3.1 General 7
3.2 Deck handling equipment 9
3.3 Intervention control system (ICS) 9
3.4 Deployment/landing equipment 11
3.5 Tools for primary intervention tasks 11

4 Functional requirements and recommendations 12
4.1 General 12
4.2 Deployment and landing requirements and recommendations 13
4.3 Surface equipment 14
4.4 Control system requirements and recommendations 16
4.5 Tie-in operations 19
4.6 Module replacement 22

5 Test requirements and recommendations 23

6 Interfaces 23
