## Paper - Determination of light scattering and absorption coefficients (using Kubelka-Munk theory)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1 <b>Scope</b> .....		1
2 <b>Normative references</b> .....		1
3 <b>Terms and definitions</b> .....		1
4 <b>Principle</b> .....		3
5 <b>Apparatus</b> .....		3
6 <b>Sampling and conditioning</b> .....		4
7 <b>Preparation of test pieces</b> .....		4
8 <b>Procedure</b> .....		4
9 <b>Calculation of results</b> .....		5
10 <b>Test report</b> .....		5
<b>Annex A (informative) Spectral characteristics of reflectometers for measuring luminance factor</b>		
<b>Annex B (informative) Precision</b> .....		10
<b>Bibliography</b> .....		11
