Protective clothing for protection against chemicals - Classification, labelling and performance requirements

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	2
4	Classification and minimum testing of chemical protective clothing	3
5	Performance requirements of overall chemical protective clothing	6
6	Performance requirements of chemical protective clothing materials	12
7	Performance requirements of chemical protective clothing components and assemblies	22
8	Labelling	25
9	Instructions for use	26
10	Product technical information	27
	Annex A (normative) Test subject exercises for practical performance evaluation	28
	Annex B (normative) Pass-through strength and assemblage strength test	30
	Annex C (normative) Airflow resistance test	31
	Annex D (normative) Exhalation valve leakage test	33
	Annex E (informative) Use of time to cumulative mass for reporting material permeation resistance	34
	Annex F (normative) Abrasive paper specification	36
	Annex G (normative) Material specimen leakage test	38
	Bibliography	40
