| 4.5 Terms and definitions of product types | 15 |
| 4.6 Terms and definitions of test methods, attributes, ageing | 16 |
| 5 Terms and vocabulary of protective clothing | 19 |
| 5.1 General terms and definitions of protective clothing | 19 |
| 5.2 Terms and definitions of product types | 20 |
| 5.3 Terms and definitions of components and materials | 21 |
| 5.4 Terms and definitions of risks and hazards | 21 |
| 5.5 Terms and definitions of test methods | 22 |
| 6 Terms and vocabulary of protection against heat and flame hazards | 22 |
| 6.1 General terms and definitions of protection against heat and flame hazards | 22 |
| 6.2 Terms and definitions of product types | 22 |
| 6.3 Terms and definitions of components and materials | 23 |
| 6.4 Terms and definitions of risks and hazards | 23 |
| 6.5 Terms and definitions of test methods | 25 |
| 7 Terms and vocabulary of protection against chemical hazards | 29 |
| 7.1 General terms and definitions of protection against chemical hazards | 29 |
| 7.2 Terms and definitions of product types | 29 |
| 7.3 Terms and definitions of components and materials | 30 |
| 7.4 Terms and definitions of risks and hazards | 30 |
| 7.5 Terms and definitions of test methods | 31 |
| 8 Terms and vocabulary of protection against foul weather, wind and cold hazards | 34 |
| 8.1 General terms and definitions of protective clothing | 34 |
| 8.2 Terms and definitions of product types | 34 |
| 8.3 Terms and definitions of components and materials | 34 |
| 8.4 Terms and definitions of risks and hazards | 34 |
| 8.5 Terms and definitions of test methods | 34 |
| 9 Terms and vocabulary of protection against mechanical hazards | 34 |

| | | |
|-----------------------|---|----|
| 9.1 | General terms and definitions of protection against mechanical hazards | 34 |
| 9.2 | Terms and definitions of product types | 35 |
| 9.3 | Terms and definitions of components and materials | 36 |
| 9.4 | Terms and definitions of risks and hazards | 36 |
| 9.5 | Terms and definitions of test methods | 37 |
| 10 | Terms and vocabulary of protection against infective agent hazards | 41 |
| 10.1 | General terms and definitions of protection against infective agent hazards | 41 |
| 10.2 | Terms and definitions of product types | 41 |
| 10.3 | Terms and definitions of components and materials | 41 |
| 10.4 | Terms and definitions of risks and hazards | 41 |
| 10.5 | Terms and definitions of test methods | 41 |
| 11 | Terms and vocabulary of diving protective clothing | 42 |
| 11.1 | General terms and definitions of diving protective clothing | 42 |
| 11.2 | Terms and definitions of product types | 43 |
| 11.3 | Terms and definitions of components and materials | 44 |
| 11.4 | Terms and definitions of risks and hazards | 45 |
| 11.5 | Terms and definitions of test methods | 45 |
| 12 | Terms and vocabulary of protection against hazards due to lack of visibility | 45 |
| 12.1 | General terms and definitions of protection against hazards due to lack of visibility | 45 |
| 12.2 | Terms and definitions of product types | 46 |
| 12.3 | Terms and definitions of components and materials | 46 |
| 12.4 | Terms and definitions of risks and hazards | 46 |
| 12.5 | Terms and definitions of test methods | 46 |
| 13 | Terms and vocabulary of protection against electrostatic hazards | 46 |
| 13.1 | General terms and definition of protection against electrostatic hazards | 46 |
| 13.2 | Terms and definitions of product types | 47 |
| 13.3 | Terms and definitions of components and materials | 47 |
| 13.4 | Terms and definitions of risks and hazards | 47 |
| 13.5 | Terms and definitions of test methods | 47 |
| 14 | Terms and vocabulary of protection against electrical arc hazards | 48 |
| 14.1 | General terms and definition of protection against electrical arc hazards | 48 |
| 14.2 | Terms and definitions of product types | 49 |
| 14.3 | Terms and definitions of components and materials | 49 |
| 14.4 | Terms and definitions of risks and hazards | 50 |
| 14.5 | Terms and definitions of test methods | 50 |
| 15 | Terms and vocabulary of Selection, Use, Care and Maintenance (SUCAM) | 50 |
| 16 | Terms and vocabulary of electronics | 51 |
| Annex A (informative) | Index of terms numbers with the corresponding French and German translations | 54 |
