Conformity assessment - Fundamentals of and guidelines for conformity assessment schemes

Contents

Page

Foreword v

Introduction vi

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Conformity assessment schemes (programmes) and systems 7
4.1 Difference between conformity assessment schemes and systems 7
4.2 Object of conformity assessment 8
4.3 Specified requirements 9
4.4 Methodology 9

5 Functional approach to conformity assessment 10
5.1 General 10
5.2 Conformity assessment activities 10
5.3 Selection and determination 11
5.4 Review, decision and attestation 11
5.5 Surveillance 12

6 Content of a scheme 12
6.1 Functional approach implemented in the scheme 12
6.1.1 Sampling 12
6.1.2 Prior conformity assessment results 12
6.1.3 Externally provided conformity assessment activities 13
6.1.4 Surveillance 13
6.2 Controlling the use of statement of conformity 14
6.3 Reporting to the scheme owner 14
6.4 Complaints and appeals 15
6.5 Rules and procedures of a scheme 15

7 Scheme owner responsibility 17
7.1 General 17
7.2 Scheme owner 21
7.3 Ownership 21
7.4 Development 21
7.5 Management 22
7.6 Maintenance 22
7.7 Scheme integrity 23

8 Lifecycle of a scheme 23
8.1 Identifying the need for conformity assessment schemes 23
8.2 Development of schemes 24
8.3 Scheme documentation 24
8.4 Discontinuing a scheme 25

9 Categorization and types of schemes 25

Annex A (informative) Conformity assessment schemes that include product, process or servicecertification 27

Annex B (informative) Conformity assessment schemes that include management system certification 31

Annex C (informative)Conformityassessmentschemesthatincludecertificationofpersons 33

Annex D (informative)Conformityassessmentprogrammesthatincludevalidation/verification 35

Annex E (informative) Conformity assessment schemes that include inspection 37

Annex F (informative) Conformity assessment schemes that include testing 38

Annex G (informative) Conformity assessment schemes that include accreditation 39

Annex H (informative) Conformity assessment schemes that include peer assessment 41

Annex I (informative) Conformity assessment schemes that include declaration 43

Annex J (informative) Conformity assessment schemes that include multiple types of objects of conformity assessment 44

Annex K (informative) Typical characteristics of schemes 48
