European foreword 3

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of Directive 2013/53/EU aimed to be covered 4

Foreword 5

1 Scope 6

2 Normative references 6

3 Terms and definitions 6

4 Symbols 7

5 General requirements 7

6 Strength requirements 8
6.1 Introduction 8
6.2 Horizontal load 8
6.3 Direct calculation 8
6.4 Matching strength 8

7 Detailed requirements 9
7.1 Structural support 9
7.2 Corrosion resistance 9
7.3 Labelling 9

8 Owner's manual 9

9 Strength of synthetic fibre ropes 9

Annex A (normative) Information to be provided in the owner's manual 10

A.1 Caution 10
A.2 Caution 10
A.3 Caution 10
A.4 Caution 10
A.5 Responsibility 10
A.6 Non-metallic strong points 10

Annex B (informative) Material strength of synthetic fibre ropes/dimensions of strong points 11
