ISO 21711:2019 (E)

Marine structures — Mobile offshore units — Chain wheels

Contents

Foreword

1 Scope

2 Normative references

3 Terms and definitions

4 Classification

4.1 Types of the chain wheels
4.2 Designation

5 Requirements

5.1 Geometric tolerance and dimensional tolerance
5.2 Materials

6 Inspection

6.1 Dimensional and geometric inspection
6.2 Visual inspection for surface quality
6.3 Inspection of tooth surface hardness
6.4 Material inspection
