ISO 24044:2020 (E)

Ships and marine technology — Deck machinery — Multifunctional manipulator

Contents

Foreword

1 Scope

2 Normative references

3 Terms and definitions

4 Classification

- 4.1 Structural types
- 4.2 Product designation
- 4.3 Appearance
- 4.4 Basic parameters

5 Requirements

- 5.1 Design and structure
- 5.2 Material
- 5.3 Performance
- 5.4 Appearance quality

6 Test method

- 6.1 No-load test
- 6.2 Rated load test
- 6.3 Over-load test
- 6.4 Safety protection inspection
- 6.5 Power supply fluctuation
- 6.6 Insulation resistance
- 6.7 Inspection of degrees of protection provided by enclosure (only for electrical cabinet)
- 6.8 Appearance quality

7 Marking, packaging, shipping and storage

- 7.1 Nameplate
- 7.2 Warning sign
- 7.3 Packaging
- 7.4 Transportation
- 7.5 Storage
