ISO 15516:2006-02 (E)

Ships and marine technology - Launching appliances for davit-launched lifeboats

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Classification and composition 3
4.1 Composition of davit 3
4.2 Classification of davit 3
4.3 Classification of winch 3

5 Requirements 3
5.1 Performance 3
5.2 Design and construction 5
5.3 Safety 9
5.4 Maintenance 9

6 Test methods 10
6.1 Loose gears test 10
6.2 Winch test 10
6.3 Test of launching appliance 11

7 Inspection code 12
7.1 Prototype inspection 12
7.2 Production inspection 13

8 Mark 13
