Ships and marine technology - Launching appliances for davit-launched lifeboats

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Classification and composition	3
4.1	Composition of davit	3
4.2	Classification of davit	3
4.3	Classification of winch	3
5	Requirements	3
5.1	Performance	3
5.2	Design and construction	5
5.3	Safety	9
5.4	Maintenance	9
6	Test methods	10
6.1	Loose gears test	10
6.2	Winch test	10
6.3	Test of launching appliance	11
7	Inspection code	12
7.1	Prototype inspection	12
7.2	Production inspection	13
8	Mark	13
