

ISO 14649-14:2013-03 (E)

Automation systems and integration - Physical device control - Data model for computerized numerical controllers - Part 14: Process data for sink electrical discharge machining (sink-EDM)

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Process data for sink-EDM	2
4.1	Header and references	2
4.2	Manufacturing features for sink-EDM	2
4.3	Machining operation for sink-EDM	3
Annex A (informative) EXPRESS listing		13
Annex B (informative) EXPRESS-G		16
Bibliography		26
