|---|---|-------------|
| Foreword .....  |   | iv          |
| 1   | Scope .....                               | 1           |
| 2   | Normative references .....                | 1           |
| 3   | Terms and definitions .....               | 1           |
| 4   | Principle .....                           | 2           |
| 5   | Reagents and materials .....              | 2           |
| 6   | Apparatus .....                           | 3           |
| 7   | Conditioning .....                        | 5           |
| 8   | Sampling .....                            | 5           |
| 8.1   | General .....                             | 5           |
| 8.2   | Lot size .....                            | 5           |
| 8.3   | Sampling .....                            | 5           |
| 9   | Instrument calibration verification ..... | 6           |
| 10  | Procedure .....                           | 7           |
| 11  | Expression of results .....               | 8           |
| 12  | Precision .....                           | 8           |
| 13  | Test report .....                         | 8           |
| Annex A (informative) Precision .....   |   | 10          |
| Annex B (informative) Detailed figures of strike-through tester apparatus ..... |   | 11          |
| Bibliography .....  |   | 13          |
