VAIS INSTRUCTION SHEET	**Guidelines for Acceptance Tests on Water-Electrolysis Plants**	**VAIS MB 16** **2024-07**

First Edition

Descriptors: Acceptance Tests, Water-Electrolysis Plants

Content

1 Scope of application

2 Terminology

3 System boundaries, definition of the systems

4 Requirements for verification of the guaranteed properties

5 Definition of possible performance parameters

6 Test performance/measurement set-up

7 Measuring devices and methods

8 Supplementing documents

9 Annex
