

# Overview – FINA<sup>25</sup>

The basic contribution in **Pillar 1** is levied for participation in national standardization work and depends on the number of committee seats held by an expert. In future, several seats - across all standard committees - can be taken up with one contribution.

Level	Number of Seats	Net remuneration
I	1-2	1.320 €
II	3-5	2.640 €
III	6-9	5.280 €
IV	10-14	10.560 €
V	15+	15.840 €

DIN is introducing the adapted FINA25 financing model on 01.01.2025. The aim is to establish a uniform and transparent financing model for all experts active in standardization. Uniform pricing is intended to facilitate participation in standardization and interdisciplinary cooperation and enables a better planning for everyone.

**Pillar 1**

**Pillar 2**

**Pillar 2** serves financing of the management of European and International secretariats as well as other services. It consists of a calculated service package, with a basic contribution of no less than EUR 3,000 per committee. Pillar 2 is usually calculated based on 3-year contracts.
